AVE news

AVE S.p.A. wins the QUALITEC DESIGN AWARD 2010

Our *VIP EASY TOUCH* front plate won the 2nd edition of *QUALITEC DESIGN AWARD 2010*, "Competition for objects, components and furnishings selected and presented by exhibiting companies whose design excellence contributes to the quality of life on board."

"An excellent example of cleanliness and precision in the design of the interface. Well suited to the use requirements of the product in the marine environment and the possibility to choose from different colours and finishes. Its look makes it easy to use with different kinds of furnishings."
